	Affix Medallion Signature Guarantee or Signature Guarantee stamp (a notary seal is not acceptable)
Print Name	
Signature of TOD Beneficiary (If acting on behalf of the account owner you must sign in capacity [†])	
Date – MM/DD/YYYY	

Special note to Medallion Signature Guarantee guarantors: By affixing the Medallion Signature Guarantee, you are verifying the identity of the individuals and entities assigned to this account and are accepting liability for any misrepresentation as it applies to this registration and any accompanying documentation.

Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to your form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a Signature Guarantee, please contact us. We may require additional documentation to complete your request.

[†] If acting on behalf of the account owner, or an entity such as a Trust, a Company, or an Estate, you must sign in capacity of your title as it relates to this account, i.e., Joe Smith, Trustee; John Brown, President; Pat Jones, Executor; etc. The institution providing the Medallion Signature Guarantee for these types of accounts will require additional documentation. You may wish to contact the institution to confirm the documentation they require to provide you with a Medallion Signature Guarantee.
